

# George Lawrence Stone • TECHNIQUE EVALUATION

*As told to Joe Morello circa 1940, told to Dom 1971*

**Precision + Accuracy = Control**  
**Control + Endurance = Speed**

**Precision** = natural and correct technique and form.

**Accuracy** = natural and correct time and dynamic.

**Control + Endurance = Speed**

**Endurance = strength + sustainability**

**Precise technique + Accurate note placement = Control**

## A to B Training

A to C the Event or Speed
